77148 COTTON OVERSHOES

These easy to wash overshoes provide a more environmentally friendly alternative to disposable overshoes.

Made from quality cotton fabric remnants from our garment manufacturing process.

Overshoes have a textured bottom for extra grip on a variety of surfaces.

SPECIFICATIONS

Description

Reusable cotton overshoes with skid-resistant bottoms. Slip them on over your work boots to keep dirt and debris out of indoor areas with polished floors or other sensitive surfaces. Made from cotton fabric remnants from our garment manufacturing, these overshoes give new life to material that would otherwise go to waste. Machine washable with your regular laundry.

Fabric

100% Cotton
